

A romantic couple is shown from the chest up, standing at a dark wooden bar. The woman, on the left, has long reddish-brown hair and is wearing a white, textured, sleeveless dress. She is laughing joyfully, looking towards the man. The man, on the right, has dark hair and is wearing a light-colored, long-sleeved button-down shirt. He is leaning in and drinking from a glass with a straw. The background is a bright, out-of-focus tropical setting with palm trees and a large window. The overall mood is happy and relaxed.

HONEYMOON PACKAGE

Cempedak Island is a private island just 85 kilometers from Singapore with an adult only policy, making it an ideal destination for honeymooners. Privacy is guaranteed with all of the villas generously spaced out over the southern half of the island. The remainder of the island is reserved as a sanctuary to ensure that the environmental impact is minimal and that there are plenty of secluded and tranquil places to explore.

Handcrafted from bamboo with 'alang alang' grass roofs, the one bedroom villas are over 100sqm and incorporate a spacious upstairs bedroom, 2 bathrooms and a balcony to maximise water views. Downstairs is a huge lounge area with an open-air deck area and a private plunge pool, sun loungers and a bar.

Interiors introduce you to barefoot luxury at it's very best. With vaulted ceilings, electric fans and king sized beds resplendent in luxurious white cotton sheets draped with generous mosquito nets. Ensuite bathrooms have modern fittings set amongst natural stone and wood. Each beach house has an iPod speaker system.
